

# Wemmer Sprint 2011

## 100 years at the Pan

15 & 16 October 2011

# A Challenge to Rowing Parents!

Tired of dozing on the bank under your fluttering gazebo, quaffing warm beer, waiting endlessly for your son's or daughter's brief moment of fame, flying down the 702 metre course at Wemmer Pan? Find yourself a weary and long-suffering shore-bound snoozer?

Here's your chance to show your rowing offspring what you're made of...

Wemmer Pan Rowing Club invites you to take to the choppy waters of Wemmer Pan in the City of Gold. We call on you to come forth and show your young rower that you do know your bowside from your blade. We challenge you to show that you too are keen to pit your skills against other rowers, the rank beginner and the grey veteran alike!

**Come and share in adrenalin rush as the starter's flag drops and eight blades bite deep!**

We challenge you to assemble your crew and pit your coxed eight against fellow parents of young rowers.

**Two Parents Eights races are offered for all with brave rowing hearts and a sense of fun...**

- Race 29 at 11:29 on Saturday 15 October;
- Race 75 at 11:51 on Sunday 16 October.

No previous experience necessary - just a sense of adventure.  
Medals to the winning crews. Free beers to all who finish!

Who knows? You might just get hooked on the open water, the fresh breeze and the best whole-body fitness regime available. For those who do experience the lure, we'll see you again at the:

**Wemmer 'Learn to Row' Clinic (especially for beginners!)**

**6 November 2011**
