

# Wemmer Sprint 2011

## 100 years at the Pan

15 & 16 October 2011

# The Challenge!

We, the valiant rowers of Wemmer Pan Rowing Club, do hereby throw down the gauntlet to all rowing clubs, the valiant and the faint-hearted, far-flung from these choppy waters near to where Ferreira's tented camp once stood!

We dare you to sally forth into battle against all comers at Wemmer Pan in the City of Gold.

Be valiant! Come and brave 702 metres of sprint rowing! Come flaunt your catches and bend your backs. Fly boldly into the westerly waves - down waters first conquered 100 years past!

Be brave! Come and challenge records that have stood 15 years and more! Bring your shells, your riggers, your blades, your champions and your crews. If you dare!

A bag of gold unto the club of the fearless men's coxless four that can conquer a course record of 18 years. Shame and shallow purses on those crews that falter and fail in this quest!

Other gladiators too shall be rewarded in gold if they mark and conquer these ancient times:

Event	Record Holders	Record Time	Record Date	Prize
Mens A 4-	Old Eds	1:56,81	1993	R 10 000
Mens A 4+	Old Eds	2:02,38	1994	R 1 000
Mens A 8+	VLC/Vikings	1:51,7	1996	R 1 000
Womens A 8+	Wemmer	2:13,66	1996	R 1 000
Mens A 1x	VLC	2:18,00	1994	R 1 000
Junior U14 A 1x	Parktown	2:46,00	1986	R 500

Are your hearts firm enough? Are your muscles tautly trained enough?  
Can your blades bite deep enough to match this dauntless task?

**15 & 16 October! Wemmer Pan awaits you and your crew! Be there!**
