

Captain's News

Bits and pieces from your Club Captain - Shaun d'Hotman...

Hi there Folks, its' finally here:

Wemmer Sprint 2011 - 100 years at the Pan! (15 & 16 October)

We look forward to seeing as many WPRC members as possible over the two days - **15 & 16 October**. Invite and bring your friends and families. This is our major annual fundraiser and a premier regatta on the rowing calendar. We need everyone's help and support over the full two days.

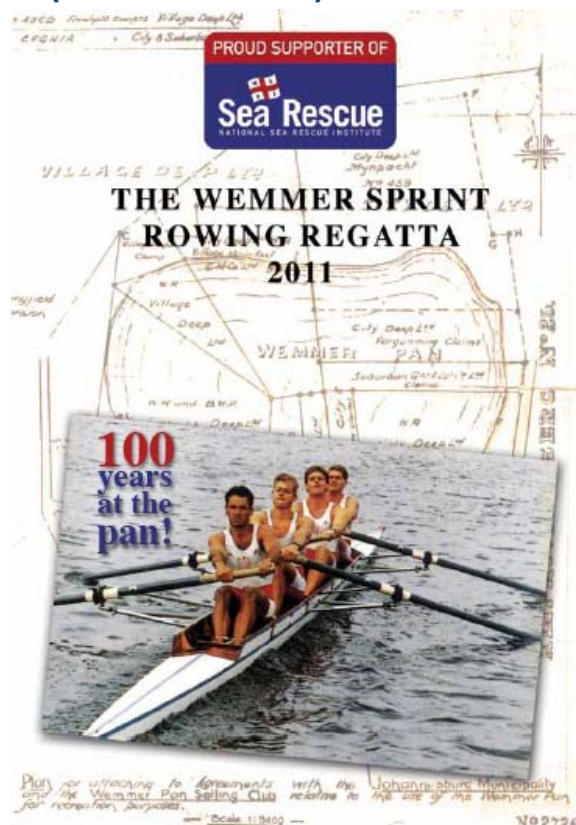

Cakes needed for both days!

We need cakes for the tea stand, so please prepare the bakers in your family.

Volunteers needed for both days!

Nicolette has drawn up a volunteers list. See the bottom of this newsletter for the times and tasks where you are allocated - note that there are two separate lists, one for **Volunteers for Saturday 15 October**, the second **Volunteers for Sunday 16 October**. See below for both. Additional volunteers are still needed.

Contact NicoletteH@uj.ac.za with queries or offers of assistance.

General

Thank you to everyone who has helped during the past few weeks to get things done.

We won't speak too much about last Sunday, but, despite the gloom, to get three more lanes in. Peter has been working tirelessly in getting the course in tip top condition.

So, the regatta starts on Saturday at eight and runs till about two in the afternoon, weather permitting. We need every one to assist to make our centenary regatta a phenomenal success.

Nicolette has sent out a volunteers list (see below). Please read and make yourself available at these times. If, when your shift is over at a particular station, you still have the energy and desire to carry on I am sure Nicolette will be able to point you in right direction.

Also a reminder to please bring cake for the two days.
